The Big Book of Dr. Barskof's Quotes.

"Wednesday is not a day."

"Can I go to the bathroom? If you have butter."

"You can't do that with fugi". "Sounds like a song."

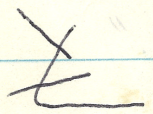
"Necesity - not!" (RE: FACTORS FOR ELASTICITY)

"It's cheesecake, man."

"School ... because I like it."

* "Sometimes I see startling similarities between myself and Bill Clinton."

"Life is so wierd."



Baby Boomer social diagram - (the teenagers come home after the war, live w/ their parents, then go off & marry their sweetheart)

* "Would you like to buy some (wink, wink) cheesecake?"

* "What's the point here?"

"I agree with you completely, but I won't go into that right now. What I will do is be right back."

"I was on the phone. I couldn't do anything for an hour."

"Pretty nice day."

* "This is not economics, ladies and gentlemen. This is something else."

"OK Joe, bring in the maneur truck ... Some nut could do it."

"They're given the exclusive right to pollute the air."

"It's a bummer."

"Study your little heads off."

"This is a cartoon"

"Have you ever met a weatherman you could trust?"

"Have you ever seen this word before?" Aimé

"Even if I do have a key to the wall."

"I've been encountering all these wierd things today."

"It's like trucks and people... you don't put them in the same category"

"We're not interested in what's more important."

"It seems to be the most favorite."

"It's getting sunnier."

"General Electric, General Motors, General Garskof."

"Use the old noodle."

"Then I started to think of everything, you know you can do that sometimes."

"I'll send a letter to the colleges telling them to take a short walk on a long pier."

"I just thought I'd throw that in, I don't know why..."

"When the leader deleaves the company, either in a box..."

"But I can't also pay my car..... payment"

"... And say a hurricaine was to strike your ship, say Hurricaine... GARSKOF!"

"Fortunate to get a free education that is a pretty good one..."

"We have to talk about the future but right now we have to review something here in the past."

"So, what's your point?"

II: The Return of Your Puny Ship

Hurricane Garskof

"Uhm... What was I saying?"
"Sometimes they say raise funds, raise money; Eh... I'm in the mood for capital..."
"Could you explain that? Sure... <15 seconds pass> I don't know how quick I am..."
"I'm originally from Brooklyn, but I don't tend to admit to that..."
"As I'm talking to you all these crazy things flash thru my mind"
"I want to have children.. I want to have a house... I want to have an airplane.."
"This is the kinky lesson, yes.."
"Like myself it will grow and expand"
"A whole smorgasboard..."
"It can be sooner.. For example, 10 years."
"Out of the air comes... everything."
"How 'bout a little shush?"
"Some people think I'm crazy, or flaky.. Which I am."
"Yes Alex... under?"
"Oligopoly... The word Oli... Ever heard of Ollie North? This has nothing to do with him."
"Only I know.. And I'm not gonna tell you."
"You don't use milk for Yankee Doodle because.. they're all chemical."
"Whoa... Fists of steel..."
"You don't go to the airplane ticket counter and ask for some tennis balls, sir."
